This Program Is Not a Ponzi or Pyramid mainly because:

- * Earnings for existing people aren't dependent on new people coming in.
- * People who join later on (whether days, weeks, months, or years) can make more money than those who joined earlier, or even from the beginning.

It Is Very Important To Understand

That many people are looking for a good way to make extra money. Therefore, when [they see the video](#) how they can *easily turn* a one time \$50 into \$3,000 within 3 months, many will join. Especially since there is no selling, and there is a Full Refund 30 Day Money Back Guarantee. The video explains the program 24/7 so you don't need to do any sales presentations. It only takes each person **referring 3-people just one time** who join this incredible program to be very successful.

You will see how 1-month later **earnings can go to almost \$4,000 every following month.** The basic requirement is to simply continue the \$10 per month subscription. And you likely have more than 3-people in your phone and Facebook contacts *who would join* if they saw this information. **Therefore, an excellent way to reach them is simply to send them a short text message, or email to watch the video.** The following charts will show how the earnings can work out.

Enrollment Bonus This is the first of 3-incredible ways of getting paid.

This example is based on **each person referring just 3 who join.**

If each refer 4 who join- that is \$6,980. And if each refer 5 that equals \$19,750

Everyone gets their \$50 Back in just 2 Referrals who join.

Fast Start

- * Earnings are made **In Real-Time.**
- * Can be withdraw Daily to your Bank Account or Debit Card.

Level	Referrals	Rate	Bonus	Total
1	3	50%	\$25	\$75
2	9	20%	\$10	\$90
3	27	10%	\$5	\$135
4	81	10%	\$5	\$405
5	243	10%	\$5	\$1,215
Totals	363	100%	\$50	\$1,920

There is also over \$1,000 in the Team Bonus, see following charts.

The Team Bonus Is The Second Way Of Getting Paid

This Team Bonus is at \$10 per month, and pays monthly. Earnings are calculated in Real-time and can also be withdrawn daily. You are paid 10% (of the \$10 per month subscription), which pays **\$1 on everyone in your Team**, 20% or \$2 on personal referrals. * 1,000 People in your team would pay **\$1,000 for the month** * 2,500 **people** would **pay \$2,500**. A filled Matrix or Team is when there are a total of 3,905 people in your team. You would have earned \$3,910. A filled Matrix or Team can fill with each person **only referring a total of 3 each**. The following chart shows how this can happen in 4-months.

Team Bonus Monthly Earnings on the \$10 per month subscription Based on each person referring 3-others who join within 2-weeks					
2-Week #	Month #	Reps	Cumulative Reps	\$	Cumulative \$
1		3	3	6	6
2	1	9	12	9	15
3		27	39	27	42
4	2	81	120	81	123
5		243	363	243	366
6	→ 3	729	→ 1,092	729	1,095 ←
7		2,187	3,279	2,187	3,282
8	**4	626	3,905	628	3,910 ←
9		**Team Bonus fills at 4 th mo.			
10	5				

Key Points: (1) The \$1,095 and the Enrollment Bonus of \$1,920 is **\$3,015** in 3-months. (2) One month later the cumulative amount with the Team Bonus is \$5,830. (3) Then months 5-12 at \$3,910 per month = \$31,280. (4) Adding totals in 2-3 = \$37,110 in 1-year. Would you agree that **to earn \$37,110 by each person referring 3-others just one time, into this \$10 per month program is a great program?** Then there is the **50% Matching Bonus**; the 3rd way of getting paid. It pays huge; you would only need 2 more people who join.

The 3rd Amazing Way of Getting Paid Is The 50% Matching Bonus

As soon as a person has referred 5 who join, a person begins earning it. It pays the highest of the 3-ways. This example is based on you referring 5. Average team referrals is 3, and average Team Bonus earned by Members is \$500 for the month. This is at the \$10 per month Level.

	Members		\$50 Enrollment		Matching Bonuses
1	5	\$25	\$125	5%	\$125
2	15	\$10	\$150	10%	\$750
3	45	\$5	\$225	10%	\$2,250
4	135	\$5	\$675	10%	\$6,750
5	405	\$5	\$2,025	15%	\$30,375
Total	605	\$50	\$3,200	50%	\$40,250

\$40,000 a month is Big Dollars. However, each person can actually earn \$3,910 in Team Bonus at just the \$10 per month subscription. If the avg. Team bonus was only \$1,000 the 50% Matching Bonus would be \$80,500 per month. That would equal \$966,000 per year.

Conclusion

You have seen how a one-time \$50, and *each person referring just 3-others* who keep their \$10 a month subscription active, can result in earning thousands of dollars per month. This is an outstanding opportunity. No other Company comes close to the huge pay out of [The Peoples Freedom Network](#).
